

Date: 30th May, 2024

TO WHOMSOEVER IT MAY CONCERN

YASH RAJ FILMS PVT.LTD. ('YRF') has appointed **Novex Communications Pvt. Ltd. ('NOVEX')** as its Authorised agent under Section 30 of The Copyright Act, 1957, as amended from time to time, where **NOVEX** is allowed to enter into non-binding Deal Terms with Third Parties (as specified in Annexure A) to enable **YRF** to issue licenses to such Third Parties who wish to use the Sound Recordings of YRF songs ('**YRF Content**') in which the copyright vests with **YRF**.

Any person or entity who wishes to make such use of **YRF Content** in public places shall contact **NOVEX**. The contact details are as below:

Mumbai : Phone No. 022-26748800
Delhi : Phone No. 011-41553922
Email : music@novex.in

To prevent any unauthorized use of the **YRF Content**, **YRF** has further authorised **NOVEX** to initiate necessary civil and/or criminal proceedings on behalf of **YRF** with prior permission from **YRF** against any person or entity who is responsible for such unauthorised usage.

NOVEX is further authorised to receive license fees/payments on behalf of **YRF** in connection with such use of the **YRF Content** and issue necessary receipt.

This authorisation is valid till **31st May, 2026** unless revoked by **YRF** in writing.

For and on behalf of Yash Raj Films Pvt Ltd

Ramanarayanan R
(Associate Vice President - Licensing)

Annexure A

NOVEX is authorised to negotiate with Third Parties for the use of the **YRF Content** in following public places/events, as applicable:

Hotels, restaurants, discotheques, college campuses, event companies & DJ's (if they are the organizers of the event), cinemas halls, shows and ground events (where sound recording of the YRF songs is used), malls, stores, shops, salons, parlours, religious events, jukeboxes, railway and bus stations, airports, motels, guest houses, banks, offices, clinics, amusements parks, clubs, private shows, fashion shows, exhibitions, banquet halls, resorts and any other public places, where **YRF Content** is used.
